Don't act so surprised, Your Highness. You weren't on any mercy mission this time. Several transmissions were beamed to this ship by Rebel spies. I want to know what happened to the plans they sent you. In my experience, there is no such thing as luck. Partially, but it also obeys your commands. I want to come with you to Alderaan. There's nothing for me here now. I want to learn the ways of the Force and be a Jedi, like my father before me. The more you tighten your grip, Tarkin, the more star .systems will slip through your fingers

Still, she's got a lot of spirit. I don't know, what do you think? What!? I don't know what you're talking about. I am a member of the Imperial Senate on a diplomatic mission to Alderaan— What good is a reward if you ain't around to use it? Besides, attacking that battle station ain't my idea of courage. It's more .like...suicide

She must have hidden the plans in the escape pod. Send a detachment down to retrieve them, and see to it personally, Commander. There'll be no one to stop us this time! You're all clear, kid. Let's blow this thing and go home! Partially, but .it also obeys your commands

## Revenge of the Sith

I can't get involved! I've got work to do!  
It's not that I like the Empire, I hate it,  
but there's nothing I can do about it right  
now. It's such a long way from here. Leave  
that to me. Send a distress signal, and  
inform the Senate that all on board were  
killed. I'm surprised you had the courage  
to take the responsibility yourself. No!  
Alderaan is peaceful. We have no weapons.

...You can't possibly

Your eyes can deceive you. Don't trust them. He is here.  
What?! Hokey religions and ancient weapons are no match for a  
.good blaster at your side, kid. I'm trying not to, kid

I'm trying not to, kid. I have traced the Rebel spies to her.  
Now she is my only link to finding their secret base. He is  
here. You are a part of the Rebel Alliance and a traitor! Take  
.her away! Dantooine. They're on Dantooine

Still, she's got a lot of spirit. I don't know, what do you  
think? What!? I don't know what you're talking about. I am a  
member of the Imperial Senate on a diplomatic mission to  
Alderaan— What good is a reward if you ain't around to use it?  
Besides, attacking that battle station ain't my idea of  
.courage. It's more like...suicide

Hey, Luke! May the Force be with you. Kid, I've flown from one  
side of this galaxy to the other. I've seen a lot of strange  
stuff, but I've never seen anything to make me believe there's  
one all-powerful Force controlling everything. There's no  
mystical energy field that controls my destiny. It's all a lot  
of simple tricks and nonsense. Remember, a Jedi can feel the  
Force flowing through him. He is here. Ye-ha! I have traced  
the Rebel spies to her. Now she is my only link to finding

.their secret base

You don't believe in the Force, do you? Obi-Wan is here. The Force is with him. I call it luck. Look, I can take you as far as Anchorhead. You can get a transport there to Mos Eisley or wherever you're going. What?! The Force is strong with this .one. I have you now

Oh God, my uncle. How am I ever gonna explain this? Look, I ain't in this for your revolution, and I'm not in it for you, Princess. I expect to be well paid. I'm in it for the money. A tremor in the Force. The last .time I felt it was in the presence of my old master

All right. Well, take care of yourself, Han. I guess that's what you're best at, ain't it? Alderaan? I'm not going to Alderaan. I've got to go home. It's late, I'm in for it as it is. The plans you refer to will soon be .back in our hands
